Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

Consumers who purchased the affected products/lots should return them to place of purchase for a full refund. Consumers with questions may contact the company by phone at 1(888) 343-3278, Monday to Friday, 9 am to 5 pm, or by e-mail at: [orders@healthmattersamerica.com](mailto:orders@healthmattersamerica.com).
