Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

MORE

The recall was a result of a routine random sampling program by the FDA which revealed that the finished products contained the bacteria. The company has ceased the production and distribution of the product as the FDA and World Variety Produce, Inc. continue their investigation as to what caused the problem.

Consumers who have purchased Melissa's Italian Pine Nuts 2oz & Wegmans Italian Classics Pine Nuts 3oz are urged to destroy and dispose of recalled product. Consumers with questions may contact the company at hotline@melissas.com or call 1-800-588-0151, Mon-Fri 6:00 AM–6:00 PM PST.
