Salmonella is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea, nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses.

Consumers are asked to return the product to the place of purchase for a full refund.

Retail stores and distributors are requested to immediately remove and discard any of the above items from the shelves and warehouses. 4C Foods Corp. will reach out to all retailers and distributors with additional information.

Please contact 4C Foods Corp. at 866-969-1920 Monday- Friday, 9:30 AM to 4:30 PM (Eastern Time), with any inquiries.
