General Mills recalls Gold Medal unbleached flour

The Kane County Health Department is advising that General Mills announced a voluntary national recall of five-pound bags of its Gold Medal Unbleached Flour with a better-if-used-by date of April 20, 2020. The recall is being issued for the potential presence of *Salmonella* which was discovered during sampling of the five-pound bag product. General Mills has not received any direct consumer reports of confirmed illnesses related to this product.

This recall only affects this one date code of Gold Medal Unbleached Flour five-pound bags. All other types of Gold Medal Flour are not affected by this recall. Consumers are reminded that flour is not a 'ready to eat' ingredient. Consumers are asked to check their pantries and dispose of the product affected by this recall.

The Food and Drug Administration (FDA) and the Centers for Disease Control and Prevention (CDC) continue to warn consumers to refrain from consuming any raw products made with flour. *Salmonella* is killed by heat through baking, frying, sautéing or boiling products made with flour. All surfaces, hands and utensils should be properly cleaned after contact with flour or dough.

This voluntary recall includes the following code date currently in stores or consumers' pantries:

Gold Medal Unbleached All Purpose 5LB Flour

Package UPC: 000-16000-19610-0

Recalled Better if Used by Date: 20APR2020KC

Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

Consumers are asked to check their pantries and dispose of the product affected by this recall. Consumers who have had to discard products covered by this recall may contact General Mills Consumer Relations at 1-800-230-8103 or visit www.generalmills.com/flour.
