

Well and/or septic systems can be a bit of a mystery to most homeowners. If you need to know how these systems work and how to care for them, plan to attend Kane County Health Department's annual **free**

Well and Septic Seminar

**Wednesday,
September 18, 2019**

**University of Illinois
Extension Office
535 S. Randall Road
St. Charles**

Due to the popularity of the seminars in the past, two sessions have been added to accommodate demand, at 2 p.m. and 6 p.m. The presentation will be followed by a short question and answer session.

**Space is limited
Reserve a seat at
630-444-3040**

In addition, one water sample test kit will be given to each household that is supported by well water free of charge.
